- What is our objective?
- Where are we?
- What's next?
- What should you expect and watch for?
- How should you respond?
- What then?
- Budget Orders

ON TIME PROPERTY TAX DISTRIBUTIONS

Where Are We?

- Status of 2015 budget has a direct impact on the proposed 2016 budget.
- 59 counties have certified 2016 estimated assessed values as of Sept. 16.
- 99.12% of County council budget review forms were submitted online by Sept 1.
- Notice to taxpayers of all budget public hearings and adoption meetings were to be posted online by Sept 14.

Where are we?

- How 2015 Budget can impact 2016 proposed budget?
 - Budget is defined as both the expenditures and revenues through a period of time;
 - Revenues exceeding 100% of estimate contribute to available fund balances;
 - Revenues not reaching 100% of estimate subtract from available fund balances;
 - Expenses cannot exceed budget unless amended, so
 - "Underspending" makes more fund balances available to support the 2016 budget.

Where are we?

- "Underspending":
 - A unit deliberately not spending 100% of approved appropriations for the current year,
 - Intent is to increase available funds at the end of the current budget year. Those funds are then available for the following year.
 - Effect is to reduce line 2 on Form 4B.
 - DLGF requires an ordinance, resolution or executive order reducing the appropriations.
 - Deadline to process an additional or reduction of appropriation is Dec. 16.

What's next?

- 2015 Key dates to remember:
 - Sept 30 Deadline for DLGF to certify income tax distributions for 2016;
 - Oct 1 Last day for a county fiscal body to issue budget recommendations;
 - Oct 19 Last day to file an excessive levy appeal (other than shortfall);
 - Oct 23 Last possible day to hold public hearing on budget (at least 10 days before adoption);
 - Oct 30 Last day taxpayers can file objection;
 - Nov 2 Last possible day to adopt the budget, tax rates, and levies.

What's next?

- 2015 Key dates to remember:
 - Nov 2 Also last day for a taxpayer to request DLGF to conduct a public hearing of a budget;
 - Nov 4 Deadline for submitting budgets, tax rates and levies to DLGF via Gateway;
 - Nov 10 Due date for second half of pay 2015 property tax installment;
 - Dec 30 Deadline to file shortfall levy appeal with the DLGF; Fall settlement.

What's next?

- 2016 Key dates to remember:
 - Feb 1 Due date to file annual salary report with the SBOA;
 - Feb 15 Due date for DLGF to certify 2016 budgets, tax rates and levies;
 - Mar 1 Deadline to file annual financial report with SBOA; submit data on retiree benefits and expenditures; deadline to submit annual report of outstanding bonds or leases via Gateway's Debt Management.

November 2015

November 2 - Last day for units to adopt 2016 budget. November 4 - Last day for civil units to submit adopted budgets to DLGF via Gateway.

- Budgets were prepared in Gateway and the Council Review Worksheet was submitted to the county fiscal body (council) by Sept 1;
- County council has until Oct 1 to make recommendations;
- Public hearing must be held by Oct 23 and at least 10 days before adoption. Hearing must be held on the date posted in Gateway;
- Do not adopt until you receive the county's recommendation or until after Oct 1.

- Public hearing held by Oct 23;
 - 10 or more taxpayers may file an objection to the budget, tax rate or levy;
 - Objection is to be filed with the proper officers of the political subdivision within seven days of the hearing;
 - Objection must be specific;
 - Fiscal body must adopt with the budget findings concerning the objection and any testimony presented at the public hearing;
 - Taxpayers may also request a hearing by the DLGF by Nov 2.

- Budget adoption:
 - Last possible date for fiscal body to adopt is Nov. 2;
 - Adoption meeting must be at least 10 days after the public hearing;
 - Date, time, and place of the adoption meeting is included in the public notice of hearing;
 - Budget must be approved by a majority of the fiscal body.

- Budget adoption (continued):
 - New this year is volunteer firefighters serving on the board of a city, town, or township cannot vote on the budget if they are members of the fire department that serves the city, town, or township. If a majority of the fiscal body is precluded from voting on the budget as a result, the executive may petition the county fiscal body to conduct a public hearing and approve the petition.

- Budget adoption:
 - Normally, township board is the fiscal body and they adopt the budget, rates, and levies by voting affirmatively and signing budget Form 4.
 - In a situation where the volunteer firefighters are precluded from voting and board no longer has a quorum, the county council can approve a petition submitted by the trustee on behalf of the board.
 - There will not be a Form 4 from units petitioning the county council. The council's determination and Form 3 (along with the other documents) should be uploaded.
 - Units not affected by volunteer firefighter issue should submit all budget forms as usual.

After adoption, what then?

- After all the budgets from a county are submitted, the DLGF field representatives will begin working budgets from each unit in each county in the order the county certified the net assessed values.
- You may be contacted by your DLGF field representative for additional information.

After adoption, what then?

- DLGF field representatives will make adjustments based on any new information they may have received, including adjustments to miscellaneous revenue estimates;
- When they complete work for all units in a county, they issue a "1782 Notice" describing the actions taken toward the budget and the projected tax levy, budget, and projected ending fund balances.
